

# Choosing the right events

With over 700 different events and celebrations to choose from how do you make sure you have the right ones on your calendar?

.....

## Aligns with philosophy

Think about what your values and beliefs are in your philosophy and whether your choices around events aligns with these beliefs or contradicts them.

.....

## Reflects multiple stakeholders

Events should reflect the current cultures, interests and needs of the children, educators, families and community.

.....

## Maximises learning opportunities

There should be opportunities for children to engage with and learn from the events through conversations, explorations and engagement, not just craft.

.....

## Developmentally appropriate

Consider whether the events are appropriate for the age of the children in regards to the history/purpose and the learning opportunities.

.....

## Aligns with compliance requirements

Events should support NQS expectations such as child focused, inclusive, build relationships with families, interest based, connect with world, children's rights etc.
