

# Simple ways to increase children's literacy skills

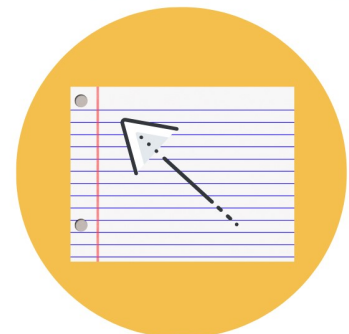

**Let children help with the documentation**

**Let children write their own name with confidence**

**Start writing in the top left corner to support reading**

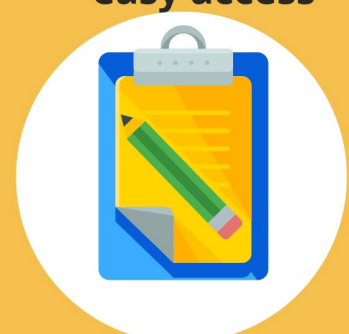

**Read a variety of texts - books, magazines, recipes**

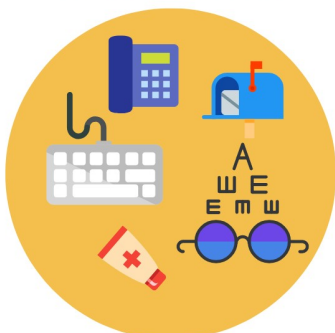

**Give children access to different fonts to help recognise letters**

**Add paper, pencils and clipboards outside for easy access**

**Consider how you can add literacy to home corner**

**Avoid rote learning, build literacy into experiences**

**Find meaningful reasons to write e.g. headings on forms**
