Critical Reflection Prompts

Does this align with our values?

Are we considering our context?

Will this offer a reciprocal outcome?

How could we implement this?

Do we have time for this now?

Are there any biases here?

RARE Early Childhood Support Services

What research supports this?

How can we unpack this?

Are the compliance requirements here?

What do we already know?

What are we aiming to achieve?

Does this negatively impact anyone?

What is the root of the issue?

Can we individualise this?

How can we build skills & knowledge?

Who can we involve?

Are we being authentic?

These prompts can be used to guide critical reflection around any topic/issue/feedback/ideas within the service.
